A new era of luxury hotels... Raffles Boston.

Opened in September 2023, 35-storey Raffles Boston has a 20-metre indoor pool, stunning city views and a Guerlain spa. In the Big Apple, well-heeled hotel guests scoff at the notion of a looming recession. High-rollers check in to Aman New York, where suites start from \$US2000 (\$3075) a night.
